

We invite you to take a short survey about your prescription drug benefits through OptumRx. [Start survey »](#)

Wespath Benefits and Investments (formerly the General Board of Pension and Health Benefits) respectfully requests your participation in a survey, conducted by Versta Research, an independent third party. **The focus of the survey is the service level you receive through OptumRx, the prescription drug benefit partner for your HealthFlex plan.**

We welcome your open and honest feedback, which will help to improve the plan offered by your annual conference/employer.

We value your privacy. The survey will not ask about your health or any specific prescriptions. We only ask about your experiences with OptumRx services — e.g., filling prescriptions (retail or mail order), customer service, communications, website, etc. The survey should take about 5-10 minutes to complete.

We appreciate your time and the opinions you share with us. Your fellow HealthFlex participants across the denomination will benefit from the information.
