Do you want to be in the know...

...and avoid a \$250-\$500 higher deductible?

a general agency of The United Methodist Church

Being “in the know” is easy to do as a HealthFlex participant. Just take the **Health Check online health assessment questionnaire** through Virgin Pulse to get to know your risk for common health concerns. This will help you prioritize your health goals and put you in a better position to take steps that may lower your risk. **When you complete the Health Check by August 31, you avoid a higher deductible in 2022*.**

Here's how to take the Health Check:

Step 1 Log in to Virgin Pulse® at virginpulse.com/login or via the app. Haven't enrolled in Virgin Pulse? No problem! Register at join.virginpulse.com/wespath.

Step 2 Select the **Health tab**, choose **Health Check** and complete the questionnaire.

**Complete the Health Check by August 31 to avoid the higher medical plan deductible in 2022 (\$250 extra for “single” coverage or \$500 extra for “family” coverage). If both you and your spouse are covered by HealthFlex—you both must complete the Health Check to avoid the higher deductible.*

Well-being programs are voluntary.
