Make Money Moves in 2018 with UMPIP

**The Church wants to
match your retirement
contributions.**

Here's how it works:

When you contribute to UMPIP, you earn matching contributions in CRSP DC—a great incentive for saving for the future.

- **When you contribute** to UMPIP, the Church deposits a matching amount (up to 1% of plan compensation) into your CRSP DC account.
- **If you don't contribute, or you contribute less than 1%** to UMPIP, you miss out on matching contributions. That's like throwing money away!

Get free money for your future by electing personal UMPIP contributions on a [Contribution Election](#) form. Be sure to contribute **at least 1%** to UMPIP so that you earn the full match.

Call **EY Financial Planning Services** about meeting your retirement goals: **1-800-360-2539**

UMPIP: United Methodist Personal Investment Plan • CRSP: Clergy Retirement Security Program

a general agency of The United Methodist Church
