Now that you've settled in, make sure we have a way to keep in touch!

We don't want you to miss important information about your benefits. Your new appointment may mean that you need to update your address, e-mail address or other contact information. And there's no faster or better way to do it than to sign on to [Benefits Access](#).

It takes only seconds to update your information—here's how:

Simply log in, then go to **Take Action > Update Personal Data > Update contact information**. Be sure to use a personal, non-Church-based, e-mail account that allows you uninterrupted access if you move and/or retire from the Church.

While you're in [Benefits Access](#), also check and/or update your beneficiary elections and their contact information by going to **Take Action > Update Personal Data > Update beneficiary designations**.
